POCKET SERIES

FOR DSLR/FULL SIZE CAMERAS

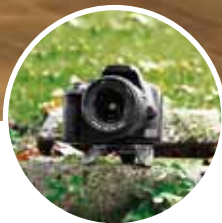

Always on!

All terrain.

Universal attachment. One size fits all.

POCKET SERIES

The larger POCKET series is an exclusive always-on solution available in a stylish black or gray finish to perfectly match your camera colors. Maximize and extend the potential of your cameras without altering the silhouette of your equipment. It is ideal for self-portraits, for night shots, and for making sure you will always be included in all your special pictures together with your friends, family and special surroundings.

FOR DSLR/FULL SIZE CAMERAS

MP3-D02 ALWAYS-ON SUPPORT, LARGE GRAY

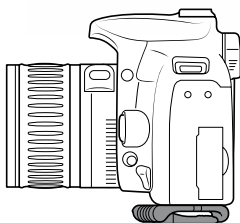

MP3-D01 ALWAYS-ON SUPPORT, LARGE BLACK

The smart and innovative all-metal support which perfectly fits onto larger cameras with or without an interchangeable lens. With its standard tripod with non-slip rubber feet and independently moveable legs, the structure provides a solid and perfectly level support for any surface and almost disappears when closed and stored in its pouch thanks to its ultra slim compact design.

POCKET SERIES

FOR COMPACT CAMERAS

Always on!

All terrain.

Universal attachment. One size fits all.

POCKET SERIES

The smaller compact series is an extremely versatile always-on solution, created to bring the benefits of photographic supports to everyone. Whether you're on holiday, with your family or friends, traveling or you just want to capture that special moment, this support is the ideal traveling companion for your compact camera. Available in a stylish black or gray finish to perfectly match your camera colors.

FOR COMPACT CAMERAS

MP1-C02 ALWAYS-ON SUPPORT, SMALL GRAY

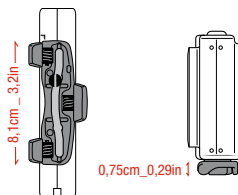

MP1-C01 ALWAYS-ON SUPPORT, SMALL BLACK

The smart and innovative all-metal support which perfectly fits onto compact cameras and handy-cams. With its standard tripod with non-slip rubber feet, the structure provides a safe and perfectly level support for any surface and almost disappears when closed and stored in its pouch thanks to its ultra slim compact design.
